

REMARKS

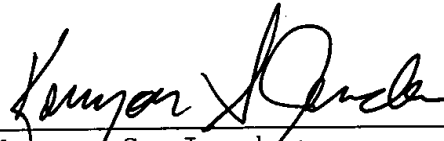

Please substitute the enclosed three sheets of formal drawings (sheets 1, 2, and 10) for the corresponding drawings presently in the application.

Element 22 in FIG. 2B was missing and mislabeled, element 20 in FIG. 3C identified an improper item, and FIG. 13F was incorrectly labeled as "FIG. 12C" in the formal drawings filed on June 6, 2000. Support for these corrections are found in the informal drawings as originally filed in the parent application, U.S. Patent Application Serial No. 09/008,412 (attached).

This Preliminary Amendment is filed to incorporate the minor corrections to the drawings and entry thereof is requested. The corrections do not involve changes and no new matter is introduced. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,
